

IOT INNOVATION CENTER GARCHING

VIDEO TRANSCRIPT

SERVUS FROM GARCHING

Servus from Garching. I'm Frank Riemensperger, the region lead for Accenture in the German speaking countries. And we are here today in our industrial IOT center in Garching. What's happening today? We have a forum on innovation.

We have a forum on the future of the German industry. Svenja Falk and I have written a book on the digital future of the industry. And in Garching, we bring it all to life. We will discuss with a hundred executives from the German economy about the future of the product, the digital future of the product.

We talk about platforms, IOT concepts. We talk about new business models and we talk about values for our customers. So, it's all happening in Garching. I'm looking forward to the day. Thanks team.
